

GREEK SCHOOL NEWS

OCTOBER 2009 

Welcome

Another Greek school year begun on Saturday, September 12 and all of us at GS expect it to be exciting and productive. We welcomed back our old students, and we were happy to see new ones joining our classes this year. A special thank you goes to all parish council members and GS parents who volunteered their time and energy to make registration run fast and smoothly.

Registration deadline

Last day to join Greek School for the school year is October, 10.

Upcoming events: Greek School Bake Sale on Sunday, October 25

following the Divine Liturgy. **All Greek school families should offer an item for sale.** The last couple of years we had the most successful bake sales, which have helped us generate more events for our Greek school students and sustained our efforts to purchase and enrich our educational supplies.

student newspaper

we call all 3rd to 7th graders to submit their written work by end of November to be included in the first issue of our student newspaper. The written work may be an essay they wrote in class, a summary of a story they found in a magazine, a summary of the book they are currently reading in regular school, a drawing and a story that may go with it... All written work must be in Greek and will be subject to corrections.

October is Safety Month! Our school will conduct its first fire drill in the month of October. Please remind your children that they need to strictly follow directions during the drills.

Communications

We are in the process of updating our Greek School parent email list. All of you who submitted an email address at registration will be receiving Greek School News electronically. Please notify the office if you do not receive our news or you do not wish to receive the news via email.
